

Their Medicine Chest For 20 Years

It is characteristic of folks after they pass the allotted "three score years and ten," to look back over the days that are gone and thoughtfully live them over.

I find myself, at seventy-one, frequently drifting back a quarter of a century, when I see myself in the little drug store I owned at Bolivar, Mo., making and selling a vegetable compound to my friends and customers—what was then known only as Dr. Lewis' Medicine for Stomach, Liver and Bowel Complaints.

For many years while I was perfecting my formula I studied and investigated the laxatives and cathartics on the market and became convinced that their main fault was not that they did not act on the bowels, but that their action was too violent and drastic, and upset the system of the user which was due to the fact that they were not thorough enough in their action, some simply acting on the upper or small intestine, while others would act only on the lower or large intestine, and that they almost invariably produced a habit requiring augmented doses.

I believed that a preparation to produce the best effect must first tone the liver, then act on the stomach and entire alimentary system. If this was accomplished, the medicine would produce a mild, but thorough elimination of the waste without the usual sickening sensations, and make the user feel better at once.

After experimenting with hundreds of different compounds, I at last perfected the formula that is now known as Nature's Remedy, which I truly believe goes further

and does more than any laxative on the market today. The thousands of letters from users have convinced me I was right, and that the user of Nature's Remedy as a family medicine, even though he may have used it for twenty-five years, never has to increase the dose.

My knowledge of medicine and the results of its use in my own family and among my friends, before I ever offered it for sale, caused me to have great faith in Nature's Remedy from the very first. And now as I find myself nearing the age when I must bow to the inevitable and go to another life, my greatest pleasure is to sit each day and read the letters that each mail brings from people as old or older than I, who tell of having used Nature's Remedy for ten, fifteen and twenty years, and how they and their children and grandchildren have been benefited by it. It is a comforting thought, my friends, for a man at my age to feel that aside from his own success, one has done something for his fellow man. My greatest satisfaction, my greatest happiness today, is the knowledge that tonight more than one million people will take a Nature's Remedy (No. 1) and will be better, healthier, happier people for it. I hope you will be one of them.

Quite a number of the city residents are trimming their trees and are greatly improving the looks of the town.

BARRY COUNTY BUYING MANY WAR SAVINGS STAMPS

Almost Every District Will Reach Quota in a Short Time—Volunteer Buyers Numerous in Monett.

Barry county will make its usual good record in the War Savings Stamp campaign now in progress. J. E. Sater, of Monett, chairman of the county, reports that with probably the exception of a small district east of Monett, the quota will be passed before the campaign ends.

Purdy has already reached its quota and work is being done in the school districts adjoining with gratifying success.

At Monett the citizens have been buying continuously since the first campaign was launched and if they keep on in the way they have started the quota may be reached without an extensive personal campaign. Mr. Sater is very proud of the record made by his townspeople in this drive and expects Monett to greatly over-subscribe the quota. If necessary, a house-to-house campaign will be made later, but just now the people are asked to call at the postoffice and buy their stamps.

War Savings Rally at Marionville

Marionville had a rousing War Savings rally at their public square Friday. The ceremonies opened with a big parade, in which the Boy Scouts, Campfire Girls, Home Guards and Epworth League took part. They had a number of patriotic floats.

Dr. D. W. Britton made an address. Mrs. T. J. Blackburn gave an excellent patriotic reading and A. M. Peel, of Monett, gave a rousing address which woke the sleepers from their lethargy.

A large number of W. S. S. pledges were secured at the meeting, which was highly successful from a patriotic standpoint.

Mathis-Luttrell

Miss Laura Luttrell and Charlie Mathis, both of McDowell, were married this afternoon at 3 o'clock in the office of E. A. O'Dwyer.

The young couple were attended by Dr. and Mrs. Robertson and Mr. and Mrs. Ira Hemphill.

The bride is a daughter of Mrs. Olie Luttrell, of McDowell, and is a well known young lady in that community. Her husband is a brother of Mrs. Robertson. They will make their home on a farm at McDowell.

Smith-Warner

Miss Leota Warner and Emery Smith were married today at noon at the court house in Carthage. There were no attendants.

The bride is the youngest daughter of Mrs. Lena Warner, of this city, residing on Central avenue. Her husband is a half owner of the Monett Bakery.

They will make their home on Third street.

Kicked by a Horse

Dr. C. T. Dusenbury was called to Freistatt Saturday morning by W. H. Lampe, whose son, Clarence, was kicked by a horse when he started to hitch it to a buggy, and sustained a broken nose and bruises on the face. He was brought to Monett and cared for at Dr. Dusenbury's office.
